BINZAGR
INTERNATIONAL TRADING COMPANY
Industrial Services & Materials Supply
Saudi Arabia & Bahrain

- VALVE MANUFACTURING, ASSEMBLY, REPAIR & TEST FACILITY
- FIELD SERVICES
- VALVES
- ROTATING EQUIPMENT
- INSTRUMENTATION
- FIRE & GAS SYSTEMS
Binzagr International Trading Company (BITCO) is a local industrial mechanical service provider, distributor and manufacturing partner of OEM’s engineered industrial technologies from the USA and Europe, in KSA.

Top clients since 1978: Saudi Aramco, Sabic, Sadara, Samref, Satorp, Sasref, Saudi Chevron, Sipchem, Tasnee, SEC, SWCC, Marafiq, NWC, Veolia, Ma’aden, and the biggest international and local EPC contractors and consultants.

Industries Served: O&G, petrochemical, chemical, power generation, desalination, water production and distribution, mining and minerals, food and beverages and other industries.

Represented technologies: rotating and static equipment, process control, measurement and calibration equipment and systems, fire & gas systems, analyzers, industrial automation, control valves, safety relief valves, safety equipment and systems, etc.

Headquartered in Al Khobar / Eastern Province with local offices in Jubail, Riyadh and Jeddah. We have an international representation office in Houston, USA.

- 1,450 sqm valve assembly & repair facility in Jubail / Saudi Aramco approved
- BITCO is the trading and manufacturing division of BFIM (Binzagr Factory for Insulation Materials)
- BFIM is one of the biggest contractor and manufacturer in the Energy Conservation Industry in KSA with over 3,000 labors.
- 100% Saudi Arabian ownership (Binzagr family) for 140 years.

Our Services Description

- General valve services and maintenance (control valves, mechanical valves, safety relief valves)
- Spares stock of valves from the OEM’s
- 1,450 sqm, 5 tons overhead crane
- OEM QA/QC procedures; ASME/UV, ISO 9001
- Assembly, repair and maintenance of control valves, mechanical valves up to 24”
- Assembly, repair, testing and assembly of safety relief valves
- Painting and shot blasting
- Machine shop
- Qualified technicians
- Maintenance of electro hydraulic actuators
- Reciprocating compressor valves refurbishment
- Calibration of pressure and temperature instruments
VALVE MANUFACTURING, ASSEMBLY, REPAIR & TEST FACILITY

Assembly, Service & Repair of Control Valves

Assembly, Service & Repair of Safety Relief Valves

Instrumentation Valves and manifolds, double blocked and bleed pipeline ball valves; Valves for large bore diesel engines etc.

Assembly, Service & Repair of Hydraulic Actuators & Positioners Components

Calibration of Measurement & Control Instruments

Installation, Commissioning, and Field Service of Flow & Level Instruments

Installation, Commissioning, and Field Service of Flame and Gas Detection, Instruments & Systems
**VALVES**

- **Severn GLOCON GROUP PLC**
  Valve Management Services
  (Control Valves, Severe Service; HIPPS System Integration etc)

- **Leser**
  Safety Relief Valves; Pilot Operated Safety Valves, Change Over Valves

- **Schneider**
  Instrumentation Valves and manifolds, double blocked and bleed pipeline ball valves; Valves for large bore diesel engines etc.

- **Mogas**
  Severe Services Ball Valves and Control Valves

- **Membrana**
  Bursting Disc Systems, Rupture Discs, Explosion Safety Systems

- **Advanced Actuators Limited**
  Hydraulic Actuators
ROTATING EQUIPMENT

DRESSER-RAND, A Siemens Business
Steam Turbines; Spare Parts, After Market Services

DRESSER-RAND, A Siemens Business
Gimpel Throttle & Trip Valves and Spare Parts, After Market Services; Kongsberg Gas Turbines

KOP-FLEX
Power Transmission Solutions, High Speed Disc Couplings;

GRAHAM
Vacuum, Surface Condensers & Heat Exchangers; (VDU) New Equipment & After Market business
INSTRUMENTATION

Flow, Level Instruments, Custody Transfer Meters, Metering Skids, Leak Detection System

Applications in Oil & Gas, Water & Sewerage, Food & General Process Industries (Cement & Steel)

Measurement & Control Calibration Instruments and Systems

Flare Gas Flow Meters

Vibration Monitoring Systems;
INSTRUMENTATION

Automation Systems

Water Cut/PPM Analyzers; Multiphase Meters; Fiscal Skid Analyzers

FIRE & GAS SYSTEMS

Field Alarm Devices

Fire and Gas Detection Systems
Supply of Products & Services from International Companies

- Exclusive Distributor, Local Manufacturing, Assembly
- Supply of Products and Services from International Companies
- New Product Procurement
- Spare Parts Sourcing and Procurement
- Installation Services
- Commissioning Services
- After Sales Service and Support
- Technical Customer Training
- Calibration Services
- Factory Acceptance Tests
- Onsite Acceptance Tests
- Accredited Service Centre
- Local Assembly
